

The approximate schedule for the research presentations is given below. You should talk for a maximum of 15 minutes, after which we will have a discussion for 15 minutes. There will be no 'opposition' -- everyone is expected to take part in the discussion. Your contributions there are part of the 'Presentation' part of the grading criteria.

I'm not actually sure if everyone is working in pairs, or if we have some singles. If there are singles this will extend the time in the afternoon.

The deadline for submitting (by email) your written paper and data analysis is the start of the seminar, i.e. 9.15 on Tuesday morning.

Morning session:

1. 9.15 - 9.45

2. 9.50 - 10.20

3. 10.30 - 11.00

4. 11.05 - 11.35

5. 11.45 - 12.15

Afternoon session:

13.30 - 15.00 (approx).

Time for other work, e.g. discussing gobbets.
